**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I currently am a happy Sonic dsl customer. I value their great customer service and dedication to net neutrality and privacy.

I am hoping that fiber will make it to my neighborhood, but even without it, sonic is a good value. Fiber would be nice, but dsl does meet my current needs.

Given that the taxpayers paid for this infrastructure, I believe that wholesale access to unbundled network elements should remain regulated.

Thank you for your consideration.
